The city spans more than 33 square miles between Lake Washington and Lake Sammamish and is a short drive from the Cascade Mountains. People can kayak within sight of downtown in the Mercer Slough Nature Park, a 320-acre wetland preserve. Surrounded by pristine natural beauty with big-city amenities, Bellevue offers a world-class shopping and entertainment experience and is home to innovative global corporations. Major employers include Puget Sound Energy, Symetra Financial, Microsoft, The Pokémon Company International, Boeing, T-Mobile USA, Verizon, Nordstrom, Overlake Hospital, Kaiser Permanente Medical Center and Bellevue College.

Retail options abound in Bellevue, and an arts community is taking off in BelRed. Bellevue's agrarian traditions are celebrated in the spring and fall at popular fairs at the Kelsey Creek Farm Park. More than 300,000 people visit the downtown area the last weekend in July each year for arts and crafts fairs.

BELLEVUE / EASTSIDE

The Bellevue–Eastside job market is anchored by a dense concentration of global employers across technology, cloud computing, life sciences, professional services, and advanced manufacturing.

The Eastside supports one of the highest concentrations of professional and technical roles in the region, driving elevated wage levels and consistent housing demand. Employment is centered around multiple high-value hubs including Bellevue, Redmond, Kirkland, and Issaquah, creating a balanced economic base that is less dependent on a single urban core.

This sustained presence of major employers continues to attract highly skilled talent and reinforces the Eastside’s position as a stable, high-income employment center with long-term economic durability.
